Discover the Ultimate Falls Experience, only at Niagara Parks. Your **Niagara Falls Adventure Pass** includes admission to four incredible Niagara attractions and two consecutive days access of **WEGO** bus transportation.

**Hornblower Niagara Cruises** is a premium Niagara Falls boat tour experience. New state-of-the-art catamarans take you as close as you can possibly get into the mist of the mighty Horseshoe, American and Bridal Veil Falls. (Timed ticketing available through Hornblower Niagara Cruises).

**Journey Behind the Falls** takes you to the foot of the Horseshoe Falls where you'll feel the power of Niagara crashing down from 13 storeys above. Explore tunnels cut deep

into the bedrock and feel the thundering waters shake the walls around you!

The ancient story of Niagara Falls comes alive at **Niagara's Fury**. The temperature will drop. Water will bubble and spray while snow falls all around. You'll be surrounded by stunning visuals along the mighty Niagara River.

At **White Water Walk**, get up close and personal with this exhilarating phenomenon. The class 6 Whirlpool Rapids are some of the wildest in North America. Trillions of gallons of water are forced into this accelerating trough; the sight will take your breath away!
